**4 week session @ \$85.00**

General Boot Camp is over. Now it's time for the next level. Level II F.I.T. Challenge is mental and physical training. Expect it to be rigorous and demanding. It's hard work. Then again, anything worth something usually is. You'll emerge in top physical condition astounded by what you've accomplished so far and ready for the biggest adventure of your life: your first tour of duty.

**We apply our system and train the body the way it was designed to perform and function in real life.**

This program takes the best of everything and throws out the stuff that doesn't work resulting in the F.I.T. Challenge. F.I.T. Challenge is a strength and condition program designed for everyone from the elite athlete to a beginner who hasn't worked out in years. F.I.T. Challenge delivers fitness that is, by design, broad, general, and inclusive. Our specialty is not specializing. The principals of F.I.T. Challenge are Monostructural (or Cardio), Gymnastics basics, and Weightlifting. In a F.I.T. Challenge workout you will see one of those principals, a combination of any two, or all three. Classes are started with a 10-15 minute dynamic warm-up where we do some exercises to get the heart rate up that coordinate to the workout, some skill work, and some dynamic stretching. We then go over form in the movements that will be used that day. We are very strict on form, good form is essential in optimal performance and injury prevention. The workouts are short duration and high in intensity. Each workout is timed and recorded so that we can measure your progress.
